Tu

Tu Pastor, Tu Parens, scientia, pietate  
emines: atque ac Sol es Coruscans.  
Oves pias promptè alis, atque non sine  
accurata arte, sicut est necesse.  
Recta, pacata, altaque mente, | puro  
pectore nitescis; suavis es, es Insons.  
Qui Parnasso celsus, et canorus praeit:  
Ipse, et Musae fociae Te cantent.  
Vates concinnos, caeterosque Sapientes  
amplecti verè satis Paratus.  
Aequitate Mitis es, ac sat Innocens, Natus  
es curare, et pascere populos.  
Tua Patria pro Te emicans est, ac nota;  
quia sic elucens penes se ortus es.  
Vocaris Cicero; nempe tu, Antistes, aptus  
es, ac praestans es eloquentia.  
Sanè ita nites, vt peraequum esset, Te  
lanas ostro conspicuas accipere.

Pacis Custos, ac sanè Pius, atque asperitate  
Carens mel Tuo in ore tenes.  
Enites. Else, ac nuncupari a cunctis potes  
tota quies, spes altera Romae.  
Res istas Tuas quaeso à Te, vt Clemens  
capias ò Vnice, et Ornate Princeps.  
O praesentis, priscaeque aetatis nitor:  
placens, cautus es, vt Mecoenas.  
Te culto canere cantu quis sanè satis esset?  
optimè praeconia superas.  
Ter sapiens es, ac notus. Quis Aulicus Te  
potest aspicere, ac Te non amare?  
Viuas, maneas, niteas. Quot poscis,  
et appetis secula cernere, tot cernas.  
Si nostra Tu laetè ceperis, et sereno aspectu  
suspicias: ò quanta canam!
